~~All employees must continue to meet all eligibility requirements of the Plan as a condition of continued eligibility.~~

Only those Employers who adopt these provisions may share in the pool of income and expenses established herein. The Trustees are expressly prohibited from using the contributions of these employers for the payment of benefits to the employees of other employers.~~

Effective January 1, 2021, the Employer will, on an annual basis, obtain all data necessary to enroll or re-enroll employees and their dependents as participants eligible for coverage under the Plan. for all ongoing employees, which shall be the calendar year, followed by a twelve (12) month standard stability period based on employee hours during the standard measurement period. Section 17.02 ~~Funding Policy~~ Treatment of Reserves in South Central H&W Fund

~~This Funding Policy shall become activated and of full force and effect on April 1, 2016. The contributions provided for herein are with the parties' understanding and agreement that the Trustees to the South Central Health and Welfare Fund will maintain the Plan in a fully funded and reserved status and will provide benefits in accordance with the provisions of this Article.~~

~~There are two purposes of this Funding Policy:~~

- ~~A. Fully reserved status of the South Central Health and Welfare Fund~~
- ~~B. Claims Payment Standards of the South Central Fund.~~

A. Fully Reserved Status

~~It is agreed that the target for fully reserved status shall be defined as reserves equal to a minimum of three (3.0) months of Health and Welfare expenses. In October of each year, the Fund Consultant will give a projection for the coming plan year as well as a projection of the remaining term of the Agreement.~~

~~The Consultant will provide the current status of the reserves at each quarterly meeting as well as a projection through the end of the current plan year.~~

~~It is understood and agreed that any projection showing reserves below two (2.0) months will cause the financial condition to be monitored closely by the Trustees and the Professionals of the plan. A projection showing reserves below two (2.0) months for two consecutive quarters, on or after January 1, 2019, will cause action to be taken by the Trustees to bring the level on reserves back to the desired level of three (3.0) months. Such actions may include a combination of benefit adjustments, eligibility changes and/or employee contribution rate increases.~~

If the reserves in the South Central United Food and Commercial Workers Union and Employers Health and Welfare Trust Fund (the "Fund") as of September 30, 2020 are greater than \$17.0 (seventeen) million dollars, the Employer will not make contributions for paid hours in October 2020 (for which contributions would otherwise be due to the Fund in November 2020).

B. Claims Payment Standard

~~The Plan Administrator is responsible for payment of claims on a timely basis.~~

~~Payment schedules should comply with any vendor contractual obligations in order to maintain the appropriate discounts provided by the vendor.~~

~~The Plan Administrator will make reports to the Trustees on compliance with these standards. Trustees are responsible for monitoring compliance of these standards and taking corrective action, as appropriate.~~

Section 17.03 Cost Control Measures

~~The Trustees are directed to search for and adopt cost control measures that will aid the Fund in managing costs within the contributions provided by the employer and employees herein. The parties agree **Plan may** to develop **and extend to bargaining unit participants medical and prescription** management programs that targets high-risk participants with chronic diseases such as diabetes, asthma, and cardiovascular disease.
